How to Install the Libby App (for Library2Go) on a Device

[1] **Search** for Libby in your devices’ app store.

[2] **Install** Libby on your device.

[3] **Say hello** and move to the next step by **tapping** “Hi.”

[4] **Tap** “Find My Library” if location services are enabled. Or, use “Search Libraries”.

[5] **Confirm** the selection or choose another location.

[6] Setup is complete! Now just **sign in** with your library card.

[7] **Choose** Jackson County from the list, **enter** card number and then click or tap “Sign In.”
