How to Install and Sign up for Hoopla on a Device

Search for Hoopla in your device’s app store.

Install and Open Hoopla on your device.

Enter your library card number.

Enter your email address and a password twice.

Tap “Don’t have an account? Sign up.” at the bottom of the window.

Success! You can now browse or search for your desired material.

Either allow Hoopla to find your location by enabling location services, or manually search for Jackson County Library Services.
