The Tenant User Liability Insurance Program (TULIP) allows community groups and others to buy low-cost special event insurance when using special district facilities.

Many of the activities typically allowed at these facilities are covered by the TULIP program. Find out if your event is covered by following the instructions listed to the right.

If your event is not listed in the eligible activity list, it does not qualify for the TULIP program.

If there is any doubt about event eligibility, tenant users should call 800-507-8414.
