

# Wildfire Recovery Navigation

We'll help you with a roadmap to recovery: where to go, what to do, guiding through the process; what the timelines are, and provide support along the way, wherever you are.

**Connect with a disaster recovery specialist today at no cost to you.**

## **A DevNW Recovery Specialist can assist with:**

Helping clients identify and access documents they need for recovery applications and claims

Navigating insurance claims

Knowing your rights associated with insurance

Navigating FEMA application and appeals

Navigating SBA loans

Navigating other state and local financial resources

Navigating records recovery including, ID, Vehicle Title, Social Security Card, Vital Records

Helping clients understand the cleanup process and evaluate rebuild options

Navigating other community resources
