FROM THE DIRECTOR

IT'S TIME TO LEVEL UP YOUR SUMMER!

Whether it's your reading game, your get-out-and-explore game, or your gaming game, the library is here to help you reach the next level.

What does that look like for you? For me, it means diving into diverse genres and trying something new. My TBR — To Be Read — pile is always stacked high. Maybe I'll read a space opera, followed by a memoir, and top it off with a police procedural. Or I can travel the world, reading books from Africa, the Philippines, and Italy.

I'm also going to level up my library activities. I'm going to level up my emergency toolkit and learn more about what should be in my "go" bag — and hope that I don't need to use it. I'm going to get up close (maybe not too close) with some wildlife from the Wildlife Images Rehabilitation Center. And while I'm not very crafty, I might try my hand at one of our Take & Make craft kits this summer.

I am not a gamer, but I did get an opportunity to play a video game in the Gaming Cave in Eagle Point. I raced around a track and spent about as much time bouncing around the edges of it as I did staying on the pavement. I'm pretty sure I coasted in dead last, but it didn't matter; I was smiling the whole way through. The Gaming Cave is popular with the kids in Eagle Point, who far outshine me on any virtual racecourse.

We recently added video games to our collection, or you can check out games as well as books and movies this summer.

Summer is a time to relax and recharge. Why not use it as a time to challenge yourself and learn something new? Level Up and enter fall ready to face new challenges.

DE LA DIRECTORA

¡ES TIEMPO DE SUBIR EL NIVEL DE SU VERANO!

Ya sea su nivel de lectura, su ánimo por salir a explorar o subir su nivel de juego, la biblioteca está aquí para ayudarle a alcanzar el siguiente nivel.

¿Eso cómo sería para usted? Para mí, significa meterme de lleno en diversos géneros e intentar algo nuevo. Mi montón de libros por leer es siempre alto. Quizá lea una ópera espacial, seguida de una memoria y para colmar un libro de policía procesal. O puedo viajar por el mundo, leyendo libros de África, Las Filipinas e Italia.

También voy a subir de nivel en lo que se refiere a mis actividades bibliotecarias. Voy a mejorar mi kit de emergencias y aprender sobre lo que debo tener en mi bolsa para salir de casa en caso de emergencias – y esperar que no necesite usarla. Voy a ver de cerca (quizá no tan de cerca) algo de vida salvaje de Wildlife Images Rehabilitation Center. Y, aunque no soy muy diestra con las manualidades, quizá intente hacer uno de nuestros kits para llevar y hacer este verano.

No soy videojugadora, pero sí tuve la oportunidad de jugar un videojuego en el Gaming Cave en Eagle Point. Jugé carreras en un circuito, y me pasé como la mitad del tiempo rebotando en las orillas y la otra parte del tiempo sobre el pavimento. Estoy segura que fui la última, pero no importa; sonreí todo el camino. The Gaming Cave es popular con los chicos en Eagle Point, quienes me opacan virtualmente en cada carrera.

Recientemente añadimos video juegos a nuestra colección, y puede sacarlos en préstamo, así como libros y películas este verano.

El verano es tiempo de relajarse y recargar la batería. ¿Por qué no emplearlo para retarse a sí mismo y aprender algo nuevo? Suba de nivel y entre al otoño listo para enfrentar nuevos retos.
